

Friendship Circle

Calling all kids and youth! Bring a friend and/or sibling and join us in celebrating friendships. Meet others and participate in fun activities that will include creating tie dye shirts and cookie decorating. Pink t-shirts will be provided which is a colour recognized with anti-bullying. Kids will also leave with Valentine's Day cards that they can work on at home to give away to friends.

This event is appropriate for kids and youth ages 0 to 19 (or 21 if still in high school) with a disability and/or developmental need.

Tuesday, Feb. 6, 2024 from 4 to 5:30 p.m.
